

**STRATHMORE GATE EAST AT LAKE ST. GEORGE HOMEOWNERS'
ASSOCIATION, INC.**

ALTERNATE EXTERIOR MODIFICATION SPECIFICATIONS

In August 2023 the HOA Board passed a motion for a New Front Door Option. The new door can include either a Single side panel or double side panels and may also include a small glass insert on the top of the door. All door changes must be submitted on the architectural control form and must be approved by the board.

In December 2025 the HOA Board passed a motion to allow the architectural difference for a fixed window only in the bathroom that is the same size window as is currently there. The exterior shall be bronze in color. All window changes must be submitted on the architectural control form and must be approved by the board
