

**STRATHMORE GATE EAST AT LAKE ST GEORGE HOMEOWNERS' ASSOCIATION, INC.**

**SECURITY CAMERA GUIDELINES**

As approved by the Board of Directors at the March 25, 2019 meeting, security cameras may be installed on the front and or rear of a unit provided that:

- 1) The camera is installed in such a fashion as to only record your own property and is unobtrusive.
- 2) An architectural request form must be submitted before installation.
- 3) The request shall include a sketch showing the placement of the camera and intended area of surveillance.
- 4) You have received written approval from the Board of Directors prior to the installation of security camera.
- 5) Doorbell type cameras (ring, chime, etc.) shall be excluded from this requirement as long as the intended purpose is front entry surveillance only.
